Sophie's diary

Sandalphon brought a bird home. His name is Robin.
His name isn't Robin, that's the name of his species!
But now you say .. it's not bad at all.
I think as he's lived many years, he knows useless stuff like raising a bird.
Pioo Pioo Pioo
Shut up!!
He is hungry. We just need to feed him.

I thought you just gave him whole, but it seems not.
W-What are you doing?
Shakes

He's still a baby. so we need to give him into little pieces... Like his mother would

Can't we give him something else?
We can give him yolk mixed with water and sugar, but this is more natural...!

What are you doing?
¡¡Camael!!
Hold me this.
This? Why...
Ooooh, the Thrones are the bests!
Moves

Now feed Robin with this.
This is your new mission.
Understood.
And like this, Camael became responsible for giving food to Robin.
Can you really use him just like you wish...?
